ABOUT SABADELL

Sabadell in the world

Sabadell is a city of more than 210,000 inhabitants, co-capital of the region and is located just 20 km from Barcelona city. Sabadell has an extensive transport network that allows the athlete to travel comfortably both within the city and outside at Spanish and European level.

Sabadell in sports

Sabadell was a sub venue in the Barcelona'92 Olympic Games, has a great track record in sport events and a large park of sports equipment and services. It has more than 200 sports entities, many of them with international projection. The most popular sports are water polo, swimming, soccer, tennis, and athletics, although we have unique facilities for all disciplines.

- USA
- Venezuela

“British Swimming used CNS as their preparation camp prior to the 2013 Barcelona World Championships. We were extremely impressed by the range and quality of both the pools (indoor and outdoor 50m) and gym facilities available and by the professional and very helpful attitude of the staff to meet our very high performance camp standards. I can fully recommend this venue for any Team wishing to hold their preparation or training camps at this fantastic facility”

DAWN PEART

Senior Team Manager British Swimming TM at 4 World Champs and 2 Olympic Games and several Euro Champs

In 2023 venue of:

- International meeting Catalonia indoor track.
